

## Quality Policy

At Gencrest Bio Products Private Limited, we are dedicated to the manufacturing and supply of sustainable crop inputs and natural fibers. Our mission is to foster a harmonious relationship between humanity and the environment by providing products that exceed the expectations of our valued clients and stakeholders.

To achieve our vision of creating sustainable solutions for everyday life, we are guided by the following core values:

- Innovation in our products and processes
- Integrity in all aspects of our operations
- Excellence through a committed and skilled team
- Courage to dream and pioneer new solutions
- Sustainability in both our products and practices
- Empathy by fostering an inclusive and caring culture

We are committed to full compliance with all applicable statutory and regulatory requirements relevant to our industry. Additionally, we are dedicated for continuous improvement in our Quality Management System. Our unwavering commitment to quality is reflected in everything we do and is essential to our long-term success.
